Hello Buckley Families!!!

Want to show off your heritage? Want others to learn about your family's cultural traditions?

The Family Resource Center would like to invite you to participate in our Cultural Night! The event will be held Wednesday May 18th from 6:30-8pm. The goal of this night is to embrace and celebrate all the cultures at Buckley. If you are interested in setting up a display or putting on a performance please fill out the slip on the bottom and return it to school no later than March 31st.

Your participation can be anything from a small display talking about your culture, a traditional folk story/song/dance, or anything special that you think shows off your culture and will help others learn.

If you are interested in attending the event but do not wish to display or present anything, please return the slip with the box checked as attending. There will be another reminder flyer to come out closer to the event date. If you would like to help organize this event or help with future events like this please contact Sean Webster, Family Resource Center Coordinator at 860-645-4824 or swebster@mpspride.org
